TURNER HASTINGS

The Turner Hastings Difference

At Turner Hastings, we understand that the kitchen is the heart of the home. Every Turner Hastings product – from the smallest chrome fitting to the most elaborate fine fireclay sink is designed and manufactured to create unique, inviting and luxurious living spaces that stand the test of time.

Our exclusive range allows you to design a kitchen that is a true reflection of your appreciation for unparalleled quality and design.

Culture Of Customer Care

We are an Australian family owned and operated business since 1996. Our culture of customer care allows us to serve the Australian market the way they deserve – to the highest level.

European Made

Only the best, our fine fireclay sinks are manufactured in leading fireclay workshops and artisan studios throughout Europe. We hand select our collections featuring exquisite styles and designs to bring home to you.

Lifetime Warranty

For peace of mind, Turner Hastings offer a lifetime warranty on the fine fireclay sinks from date of purchase. Rest assured knowing the warranty covers any production and material defects.

Handcrafted Excellence

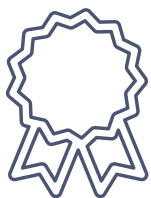

Turner Hastings fine fireclay sinks are handcrafted to handle the knocks, drops and messes that come with day-to-day life. They blend seamlessly with any kitchen or laundry style: heritage, contemporary or classic.

Fine Fireclay

Turner Hastings sinks are manufactured with fine fireclay, a 100% natural organic and recyclable material used by craftsman. Fired at very high temperatures that reach up to 2000°C, the clay is transformed into a durable, impact resistant, dense material.

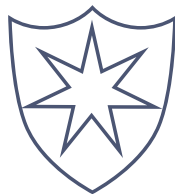

The special glaze coating that is fused with the fireclay body during firing gives fireclay sinks a non-porous, uniform surface which will not rust or stain over time, and is highly resistant to scratching.

LIFETIME WARRANTY

FOOD SAFE

IMPACT RESISTANT

HEAT PROOF

STAIN RESISTANT

HYGIENIC

Rest assured with Turner Hastings' industry leading guarantee!

If there is an unlikely breakage in transit we will replace the product free of charge within 365 days of your invoice date.

Terms and conditions apply. Please refer to our website for further details.

**The kitchen is
the focal point
of all homes.**

A friendly and functional place where conversation flows easily and laughter comes quickly. Food, drinks and entertainment are always made around the kitchen.

When you are ready to transform your favourite space with stunning European design elements, Turner Hastings' collections offer a range of designs to suit your taste. Make your kitchen a reflection of who you are, and what you value. A comfortable place that is not just in your home but is truly the heart of your home.

Novi 75 Butler Sink (Flat Side Facing Out)
Kitchen Design by House to Home Finishes

The butler's
pantry is the
behind the
scenes secret
to a pristine
kitchen.

Not just to store pantry items, the Butler's pantry is a kitchen within a kitchen that can be a stylish, organisation haven for the busy family or entertainer. It can be used to store appliances, prepare food and stow away mess mid-dinner party.

Novi 60 Butler Sink (Flat Side Facing Out)

Your laundry has the potential to be stylish...

...and a place you love spending time in.

The laundry is usually nearby the kitchen, why not make it an extension of your kitchen, match your cabinetry style but add some interest to your laundry with a bold splashback.

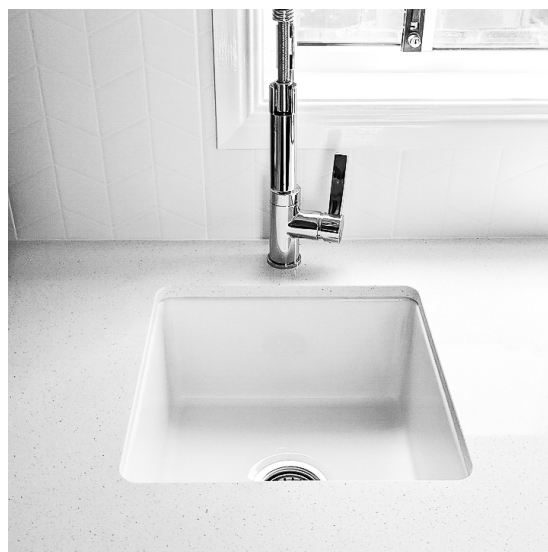

Novi 60 Butler Sink (Rib Side Facing Out)

Our Sinks

More than any other kitchen fixture, your sink is the heart and soul of the kitchen environment. It's perhaps the most used object in your kitchen.

Novi 85 x 46 Double Butler Sink in gloss white (Ribbed Side Facing Out)
Kitchen Design by Harper Lane Interior Design

Novi Collection

The famous Novi collection, this is our most popular range for its versatility for any kitchen, butler's pantry or laundry with an intelligent reversible design. Choose between installing the flat side facing out for a more contemporary style kitchen or ribbed side facing out to suit a traditional style kitchen. Our 510mm butler sink is the narrowest butler sink in the whole range which is perfect for butlers pantries or laundries where space is at a premium.

Clasico Single Mixer in Chrome | Novi 75 Butler Sink (Ribbed Side Facing Out)
Laundry Design by Hume Building

French Provincial Tapware Collection

Perfectly designed and manufactured in Italy, you can't go past Heritage French provincial style tapware with white handles to match our complete range of white Fine Fireclay sinks.

Rotate handles forward and down to operate, they do not rotate backwards so your splashback will not interfere with the operation. They feature a rotating spout for ease of use, and proudly carry a 15-year warranty. Basket wastes available in the accessories section to match the taps.

WELS 4 Star Water Rating (7.5L/min). Italian made mixer cartridge operation. Watermark approved to Australian Standards

Made in Italy 

Specifications: see page 72

CARE INFORMATION

Fine Fireclay Sinks

- **Caution:**

Avoid using plastic washing-up bowls, as particles of grit can become impregnated in the base of the bowl and act like sand paper causing permanent scratching to the glazed surface.

- **Bleach & Acids:**

The fine fireclay surface will not be affected by bleach or acids found in the kitchen, however, it is advisable to use only diluted bleach in or on the sink, this is because the chrome wastes and taps can be damaged by extended exposure to neat bleach.

- **Routine Cleaning:**

As the glazed surface is extremely smooth and non-porous, cleaning with soapy water is usually all that is required to keep your sink clean. More stubborn stains can be removed using GIF or similar cleaning products. Wipe down with a dry cloth after use, this will help to avoid any lime scale build-up.

- **Stains:**

If stains become particularly difficult to remove, an overnight soak using biological washing powder should help remove any marks.

- **Lime-Scale:**

In hard water areas limescale can build-up on the surface and become visible when stained by food and drink. We recommend regular cleaning with a solution of 3-parts hot water and 1-part white vinegar or specific limescale cleaners can be used for example Viakal.

- **Metal Marks:**

Pans and cutlery can leave grey metal marks on the surface as the glazed finish is much harder than the metal utensils used in the kitchen. These marks can be easily removed using a powder compound called Bar Keeper's Friend. This product can be purchased from most large supermarkets or hardware stores. To prevent metal marks, a rubber sink mat or stainless steel grid can be purchased from Turner Hastings to sit in the base whilst washing metal items

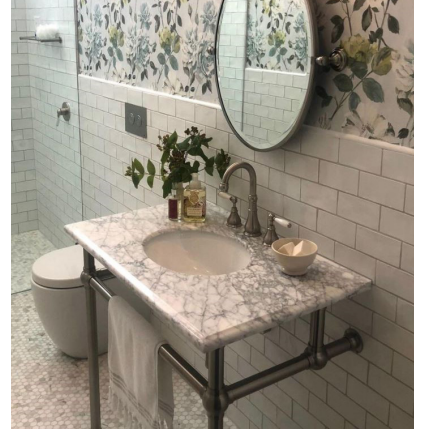

Tapware & Sink Accessories

- Use a mild household detergent or warm soapy water and clean with a soft cloth. It is important that no abrasive cleaners are used, as these will remove the surface gloss of the product.
