KALDEWEI

KALDEWEI was founded in 1918, and today it is the fourth generation that is devoted to the combination of steel and enamel with such passion. This was the only way to achieve an exceptional fusion that guarantees the special KALDEWEI quality and durability.

KALDEWEI STEEL ENAMEL WITH 30 YEARS GUARANTEE

Steel and glass – two entirely authentic and natural materials, used for centuries, and each with its own inherent material properties. Steel signifies strength, toughness, robustness and optimum ductility. Glass is highly resistant to chemical or thermal stress and has an excellent appearance. KALDEWEI steel enamel combines robust steel and tough glass to form an inseparable bond harnessing the strengths of each material in perfect symbiosis. As a pioneer consistently pushing the boundaries to make the good even better, KALDEWEI has steadily advanced, refined and optimised the special formula and manufacturing processes of KALDEWEI steel enamel for almost a century now. KALDEWEI steel enamel guarantees lasting quality that remains visible, tangible and irresistible day after day.

TOTALLY INCOMPARABLE

HEAT RESISTANT

Burning and smouldering objects do not leave marks on the surface.

SCRATCH AND IMPACT RESISTANT

KALDEWEI steel enamel combines the inherent properties of steel and glass, making it highly resistant to mechanical stress.

UV RESISTANT

Thanks to the unique material properties of KALDEWEI steel enamel, our products retain their original colour without fading or yellowing.

DIMENSIONALLY STABLE

KALDEWEI products hardly expand at all in temperature fluctuations, thereby minimising the risk of cracked joints or damage from moisture penetration in the bathroom.

EASY TO CLEAN AND HYGIENIC

The glass-hard surface of KALDEWEI steel enamel leaves no place for dirt and bacteria to settle, meaning it is supremely hygienic and easy to clean.

CHEMICAL RESISTANT

Common household detergents, cosmetics or bath additives will not harm KALDEWEI steel enamel.

SUSTAINABLE

Bathroom products made of KALDEWEI steel enamel are produced from the natural materials glass and steel, and can be fully recycled.

MEISTERSTÜCK OYO DUO

- An unprecedented Egg Shape design made of sustainable steel enamel by means of the highest German engineering skills
- A graceful design sculpture that integrates harmoniously into the bathroom space, flowing and almost seeming to float
- Inspired by Japanese porcelain design: the double-walled product impresses with its minimal organic lines and elegant functionality
- The inner shape offers maximum lying comfort, even for two people, with two identical backrests and a central waste
- Made of KALDEWEI steel enamel
- **30 YEAR WARRANTY**

FIS DELIVERY AREAS All goods are delivered free into store.
Deliveries to some Regional areas may incur additional freight charges; these must be determined at the time of order

PRICING Pricing in this pricelist is recommended pricing only. Prices on orders and quotes are valid for 30 days. Any orders or quotes aged past 30 days may be subject to subsequent price increases.

MINIMUM ORDER VALUE A surcharge of \$16.50 (incl. GST) will apply to all orders where the invoice price is less than \$110 (incl. GST).

TECHNICAL SPECIFICATIONS Whilst all care has been taken to ensure the technical accuracy of this pricelist, continual product development may result in changes to these specifications without notice.

WARRANTY Subject to the terms and conditions below, all KALDEWEI BATHS and shower floors, **excluding all Eurowa model bathtubs**, are covered by warranty against defects in materials or workmanship for **30 YEARS** from the date of purchase, when used in normal domestic applications. Customers must retain copy of purchase receipt and return goods to Bathe to obtain warranty service. This warranty excludes any defect or injury caused by or resulting from misuse, abuse or neglect, accidental damage, improper installation or other alterations or modifications, which affect the reliability or performance of the unit not attributable to faulty manufacture. Any product plated after purchase voids all product warranties. The full warranty applicable is available on our website www.bathe.net.au and may be amended from time to time without notice.

RETURN OF GOODS

1. Non-standard or non-stock items will not be accepted for return. This includes Multipoint and AIR Spas.
2. Non-Stocked Items and items with 14-16 week delivery have a cooling off period of 24 hours after which the item cannot be cancelled.
3. All return of goods must be approved by the Bathe Account Manager in your area.
4. On approval of the return, a 'Return Authority' will be sent to the customer and MUST be attached to the products being returned.
5. Goods must be returned in the original undamaged packaging and in re-saleable condition.
6. Return freight is the responsibility and at the cost of the customer. Any goods returned that are damaged in transit will not be credited. Any missing items will be deducted from the credit amount.
7. A re-stocking fee of 15% will apply to all returns.
8. Invoices relating to goods being returned are due and payable as per the customers trading terms and credit adjustments are processed upon receipt and acceptance of the returned goods only.
