Kitchen & Laundry

Introducing Fienza's new range of high-quality kitchen and laundry sinks. Whether you are renovating, or building your dream home, we have developed an extensive range of styles and solutions to create a beautiful and functional space.

When designing your kitchen and laundry space, it is important to choose a sink that has both finesse and functionality. Choose from our range of Hana, Tiva and Butler sinks for a timeless design that suits your taste.

HYGIENIC

Easy to clean to maintain hygiene.

INDUSTRY LEADING WARRANTIES

Fienza offers up to 25 years warranty on products for use in residential and commercial facilities. Visit our website for more details: www.fienza.com.au

FOOD SAFE

Safe for preparation and handling of food.

STAIN RESISTANT

Stain resistant against food and drink.

SINK INSTALLATION TYPES

Topmount

Topmount installation allows for the sink to be mounted from above the benchtop and is inserted into the hole cut-out for the sink. The rim sits on the benchtop holding it in place. This is the easiest type of installation.

Undermount

Undermount installation allows for the sink to be mounted to the benchtop from underneath. The inner bowl is vertically flush with the sides of the benchtop cut-out. This type of installation optimises bench space and makes for easy cleaning.

Flushmount

Flushmount installation is where the sink is mounted to the sides of the benchtop cut-out. The sink is horizontally flush and level with the benchtop surface. Measurements for the cut-out must be made from the physical sink received for the project.

All prices are Recommended Retail Prices (RRP) including GST. Prices are subject to corrections or change without notification. Consumers should enquire with a retailer for actual pricing. All information is provided on an E&OE basis (Errors and Omissions Excepted). Always check fienza.com.au for the latest, up-to-date product information. Images shown are representations only. Visit your nearest retailer to view physical samples before purchasing. Some images are shown with accessories and/or furniture, which are not included in the price, and such products may not be available within our range.

Hana KITCHEN SINKS

The Hana is a stylish and sleek sink range that will transform your kitchen entirely. Choose from stainless steel, PVD carbon metal or PVD rugged brass finishes for a standout feature in your kitchen.

Styling Tip

Create a coordinated look by choosing a sink and mixer that match existing finishes and appliances.

ELEGANT FINISHES

The Hana brushed stainless steel sink will never go out of fashion with its timeless sleek design. Our beautiful carbon metal and rugged brass finishes are PVD coated, ensuring a long-lasting finish and less environmental impact when compared to other coating processes. The two finishes are then sandblasted for a stunning textured finish.

CUSTOMISE YOUR SPACE

We have a wide range of sink accessories including our space saving roll-up drainers and large chopping board for prepping meals. Sink protectors are also available to ensure your sink maintains a beautiful, long-lasting finish.

IMPACT RESISTANT

Fitted with sound and vibration dampeners on all sides, to reduce the acoustic impact of water and equipment.

Use the removable basket-shaped strainer to trap food waste

Tiva KITCHEN SINKS

The Tiva design is inspired by a classic design aesthetic and is manufactured from highly durable stainless steel to withstand the rigours of daily use. Depending on your kitchen design, the important factors to take into consideration are the bowl size, if you require a drainer and if your preference is a left or right-hand side bowl.

Styling Tip

For a classic look, pair our TIVA 1080 Kitchen Sink with a SANSA® Chrome Sink Mixer.

with Drainer, Left-Hand Bowl
\$299 • 68106L

SANSA® Chrome Sink Mixer
\$249 • 229105

HIGH QUALITY FINISH

The Tiva range of kitchen sinks are made from premium polished, 304 grade steel for long lasting durability.

FUNCTIONAL DESIGN

Available in various styles to suit many purposes. A double sink would be ideal for a large family for easy washing and rinsing of dirty dishes, while a single bowl sink is suitable for units or small apartments.

EASY INSTALLATION

The installation process for a tradesperson is simple, with the option of topmounting or undermounting the sink to a benchtop with included sealing tape and mounting clips.

Butler SINKS

Modern living spaces now have the inclusion of a butler's pantry, an extension of the kitchen where meals are prepared out of sight, and a perfect space for a butler sink. Due to the large and deep bowl size, butler sinks are also great to use as a main kitchen or laundry sink. Transform your space with our unique Charlton and Winston butler sink ranges.

Styling Tip

Pair your Butler Sink with a classic, detailed mixer to create a timeless look.

INSTALL YOUR WAY

Our unique reversible design allows you to choose from a flat or fluted sink-front. There are also two installation options for your butler sink: undermount to sit under the benchtop and flushmount to sit flush and level with your benchtop.

EVERYDAY LIVING

Our butler sink range is stylish and practical for kitchen chores as they are heat proof, food safe, stain and impact resistant, and easy to clean to maintain hygiene.

HIGH QUALITY MATERIALS

Our unique range of butler sinks have been designed with fine fire clay ceramic using high quality European materials for a gloss white finish. This gives a straighter and truer finish to the surface when compared to vitreous china.

CHARLTON

Double Butler Sink

\$1299 • 68702

KAYA® Chrome Sink Mixer
\$199 • 228105

Laundry Sinks

The laundry is a widely used, versatile space in your home. Create a cohesive design for your home by incorporating the same materials and style as your kitchen. Our Tiva and Hana sink ranges offer a selection of sizes for you to create your ideal space and save time with household tasks.

LAUNDRY SINK INSTALLATION

Overflow and bypass plumbing

Different plumbing options are available depending on your sink selection. Two of our Hana sink models feature an integrated overflow to prevent overfilling your sink. With our Tiva range, you have the option to add a flexible bypass kit for washing machine drainage or to prevent overfilling.

Selecting your sink

When selecting your laundry sink, it is important to know the space you're working with. The laundry sink is bigger than a kitchen sink, so make sure your bench is deep enough to fit a large sink. If space permits, a large capacity sink, such as the Tiva 50L Laundry Sink, is ideal to soak clothes and fill buckets for cleaning.

Selecting your mixer

Fienza offers a wide variety of mixers to choose from for your laundry sink. We recommend a gooseneck mixer so that you can easily fit and fill buckets. A pull down sink mixer provides a little extra reach and makes cleaning easier; this will also help fill a mop bucket if the sink is full.

Tiva LAUNDRY SINKS

Create your ideal space with our Tiva laundry sinks, available in a range of sizes for daily chores. The Tiva sink is designed for laundries, made from quality polished stainless steel. For larger families, choose a deeper sink for easy washing and rinsing of clothes.

Functionality Tip

Option to choose left or right-hand mixer location to suit your personal preference.

HIGH QUALITY FINISH

The Tiva range of laundry sinks are made from premium polished, 304 grade steel for long lasting durability.

CHORES MADE EASY

Available in a range of sizes to suit your space, select a deeper sink to easily fill buckets or containers.

CONFIGURE YOUR SINK

Tiva sinks come with two tap holes, giving you the option to mount your mixer on the left or right-hand side.

The extra tap hole can be covered with the included cover, or used in conjunction with a flexible bypass kit for washing machine drainage or to prevent overfilling.

TIVA
50L Laundry Sink

Topmount

\$199 • 68202

- Designed for laundries

SINK BASKET ONLY

\$15 • A3-BASKET

- Made from polished 304 stainless steel
- Suits all TIVA laundry sinks

Choosing the right size

Your laundry sink bowl size can depend on your lifestyle. A large family may need a sink deep enough for washing and rinsing of clothes easily, while apartment dwellers might need a smaller sink to maximise bench space.

Hana LAUNDRY SINKS

The Hana is a stylish and sleek sink range that will add a modern look to your laundry. Choose from a range of sizes in our beautiful brushed stainless steel.

Styling Tip

Our Isabella Deluxe Sink Mixer is the perfect fit for a laundry sink. The pull-out nozzle makes cleaning and filling buckets easy.

Sink Mixers

Mixers are the centrepiece of the kitchen and laundry. Fienza sink mixers are available in a wide range of functionalities, styles and finishes. Pair our mixers with our kitchen and laundry sinks for a stylish, minimalistic and modern space.

QUALITY FINISHES

Our range of colours and finishes are both beautiful and long-lasting to add a modern and stylish design to your kitchen and laundry space. The available finishes include polished chrome, brushed nickel, brushed gun metal, matte black, brushed urban brass and unique baked lacquer finishes, depending on the model.

INDUSTRY LEADING WARRANTIES

At Fienza we pride ourselves on supplying products of a high standard. We offer up to 15 years warranty for our mixers for residential and commercial uses.

WATERMARK CERTIFIED & WELS REGISTERED

Fienza products are manufactured to comply with all Australian regulations and plumbing codes, including WaterMark certification and WELS registration.

Styling Tip
Choose a stylish sink and mixer that will inspire you to cook up a storm!
